### Find & compare

There are 12 fishing flies scattered on this page. Which fly is the largest? Which fly is the smallest? Can you spot the duplicate?

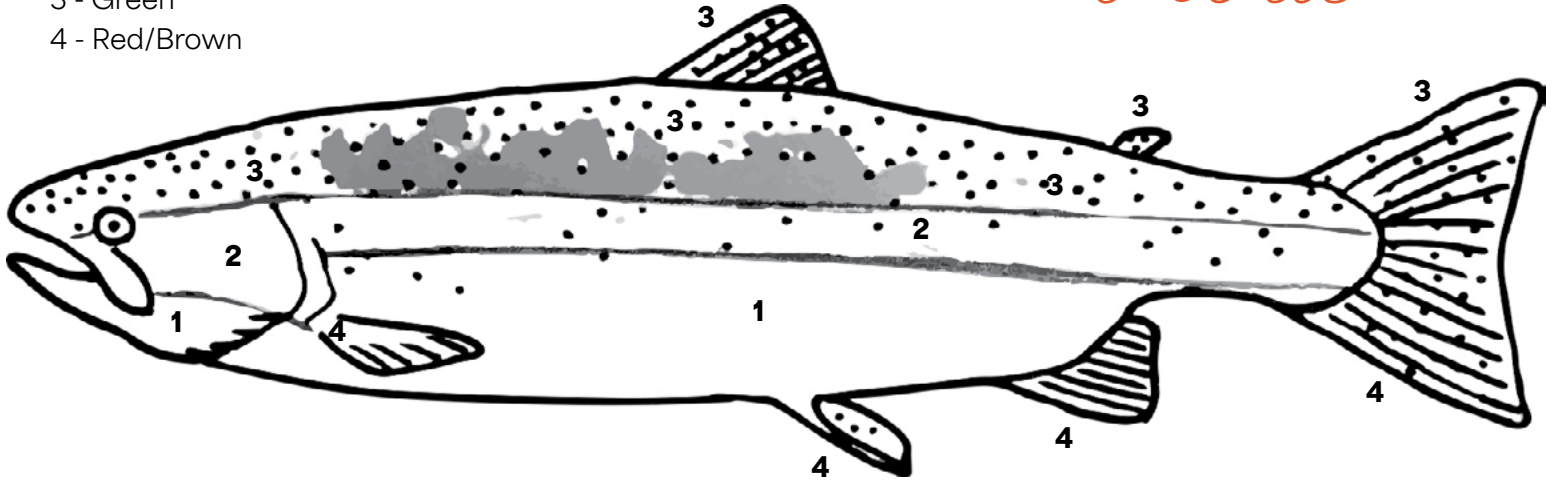

## April

# Trout

### Colour by number

- 1 - Gray/Silver
- 2 - Pink
- 3 - Green
- 4 - Red/Brown

### Match the fish

Draw a line from the males to the females of each species.

#### Male

#### Female

### Math

Figure out the values for each symbol.

$$\text{Fishing lure} - \text{Bobber} = 1$$

$$\text{Coral} + \text{Coral} = 4$$

$$\text{Brook trout} - \text{Fishing lure} = 2$$

$$\text{Coral} + \text{Brook trout} = 8$$

$$\text{Brook trout} = \square \quad \text{Fishing lure} = \square$$

$$\text{Coral} = \square \quad \text{Bobber} = \square$$

### A reel-ly fishy joke

Why did the trout blush?

Because it saw the lake's bottom!
