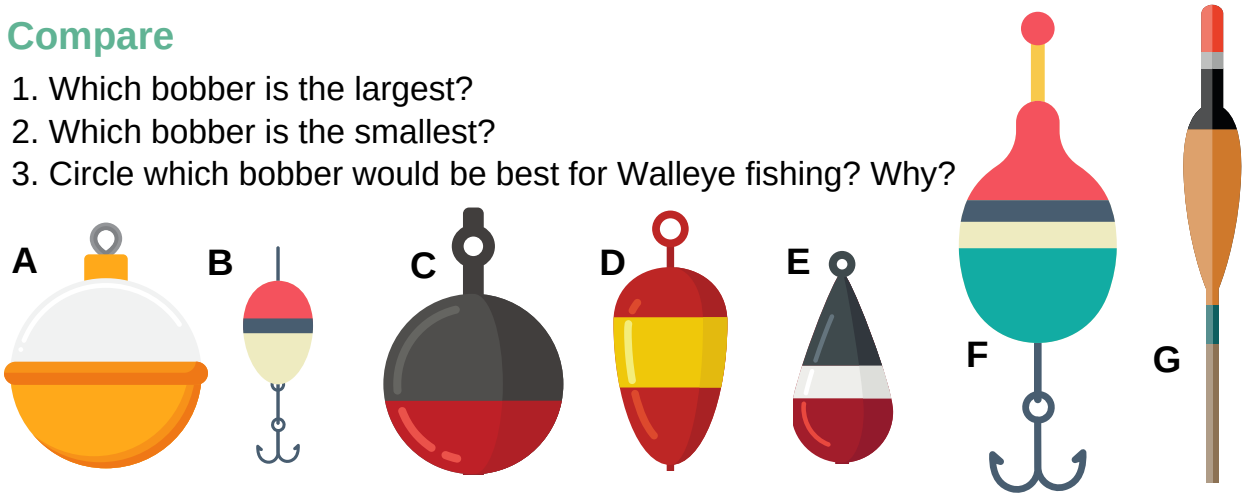
Compare

1. Which bobber is the largest?
2. Which bobber is the smallest?
3. Circle which bobber would be best for Walleye fishing? Why?



Answers:
1. F
2. B
3. G - Slip Bobbers like this are not fixed to the line and allow you to easily adjust how deep or how shallow you fish.

A reel-ly fishy joke!

What did the fish say before biting the lure?

"Walleye" suppose I'll be nice and give the fisherman some action, I "Bass"ically don't want him to have a "Crappie" day.
